Vocabulary review:

Time Signature: It tells you how the music should be counted.

Measure: A specific number of beats defined by the time signature.

Bar Line: A vertical straight line between measures.

Example:

Count: 1, 2, 1, 2, 1, 2, 1, 2.

The diagram illustrates musical notation with four measures. Above the notes, the counts '1, 2' are repeated for each measure. The first measure is labeled with a time signature of 2/4. Brackets under the notes in the second and third measures are labeled 'Measure'. Vertical lines between measures are labeled 'Bar Line'. An orange arrow points from the text 'Time signature' to the 2/4 symbol. Another orange arrow points from the text 'Measure' to the bracket under the second measure. A third orange arrow points from the text 'Bar Line' to the vertical line between the third and fourth measures.
