Time Signature: It tells you how the music should be counted.

Measure: A specific number of beats defined by the time signature.

Bar Line: A vertical straight line between measures.

Count: 1, 2, 1, 2, 1, 2, 1, 2.

The diagram illustrates musical notation in 2/4 time. It shows four measures, each containing two quarter notes. The time signature '2/4' is written at the beginning. Above the notes, the counts '1, 2' are written for each measure. Brackets under each pair of notes are labeled 'Measure'. Vertical lines between measures are labeled 'Bar Line'. An orange arrow points from the text 'Time signature' to the '2/4' symbol. Another orange arrow points from the text 'Measure' to the bracket under the first two notes. A third orange arrow points from the text 'Bar Line' to the vertical line between the second and third measures.
